Changes

Saturday, 11 April 2026 12:59 PM

Exact Area	Changed needed	Screenshot
360 coverage	- Text needs to be changed to something catchy and basic - To the right we need a gif animation of working on ToIP		Contact Sales Explore Services Only these two needs to be there		Customers who trusted on us Offsec Mgmt Portal		Make this small and more presenatable		Technieum Offensive Ecosystem	
	GIF Need Centralized Tracking needs to be highlighted	
	Here we need to use the diagram of Technieum offensive workflow present in the sales pitch		This needs to be diagrammatically explained Content need to be changed			Conventional vendors vs techenium page to be removed
	Internal Capabilities/ Toolsets at a Glance Small descriptions below needs to be there and Logo for each When you hover with your mouse on them and clicking them will take you to the deeper explanation of things	
	Above needs to be implemented here Content needs to be checked		Look and feel here needs to be the same In the same look, dropdown needs to be there Extra Categories needs to be added Clicking on each should take us to the relevant page of that category (eg: Web Application Testing) There needs to be a separate page for each category and basic explanation of each methodology
